

YOUR LEARNING PATHWAY

Use the Learning Pathway to identify courses specifically designed for your job role, helping you understand which courses you should take for your professional growth.

You can then plan your learning pathway with 'rest stops' for soft skills development or design your learning path. Details of all courses are in **The Compass**.

New Employee Orientation (NEO)

NEO courses are mandatory for all GAC employees and are the start of everyone's learning pathway.

- IGW** Introduction to the GAC World
- HSSE** Health, Safety, Security and Environment
- GDPR** General Data Protection Regulation Awareness
- CNE** Compliance and Ethics
- CSA** Cyber Security Awareness
